

Carpentry Shop Lead - Boatyard

Pay and Benefits

From \$45,000.00 per year

Benefits: Dental insurance, Employee discount, Health insurance, Paid time off, Vision insurance

Job Description

Belmont Boatworks is looking for a Carpentry Shop Lead!

HIRING IMMEDIATELY!

The individual we are seeking should have extensive carpentry experience in boatbuilding, boat repair and maintenance. Management skills desirable to oversee projects, employees, and budgets. Empathy and good communication skills when working with both customers and the crew are required. Duties will include communicating with customers about their work as directed, working with other dept. managers, planning work schedules, assigning personnel to jobs, monitoring rates of production and quality levels, and dealing with personnel issues as they arise.

Pay is commensurate with experience.

Benefits include 100% employer paid health insurance, employee paid eye/dental insurance along with other employee paid benefits, paid holidays, flex time, reasonable use of the shop tools and the ability to order tools and materials through the yard at cost.

Desired Assets

Honesty, integrity, above average organization, memory, follow through, responsibility/ownership, problem-solving, communication skills, leadership

Preferred experience in management, service, and budgeting

Phone and computer skills, email, QuickBooks

Considerable professional experience in recreational boats, power and sail, up to 60'

Good understanding of marine systems; paint/varnish, mechanical, structural, fiberglass and wood construction

Ability to prioritize while managing long term and short-term projects

Ability to anticipate and prepare for seasonal swells in workload

Maine Driver's License

Ability to lift 40lbs

Ability to climb ladders and gain access to boats

Flexibility of work schedule to accommodate longer hours in the spring and fall

Please reply with resume, contact information, and references.

ABOUT US:
